Power inside and **UNMATCHED FEEL**

SUPERLIGHT BUMPERS

1 piece design and perforated for **MANEUVERABILITY**

LOGO SHAFT CROWN

Unique grip masking innovation for **EXCLUSIVE LOOK**

SIGNATURE BRANDING

A close-up photograph of a black cable with orange internal fibers, set against a background of a 3D woven mesh in black and orange. The cable is positioned diagonally from the bottom left towards the top right. The mesh background is also diagonal, creating a sense of depth and texture. A semi-transparent white horizontal bar is located at the bottom of the image, containing the text '3D DESIGN'.
